

KMC SAVILLS
**CAPABILITY
STATEMENT**

KMC is focused on providing exceptional results which reflect our clients' vision. We pride ourselves on building outstanding relationships based on integrity and trust.

About KMC

A modern approach to real estate services with industry leading professionals

KMC is an award-winning real estate services firm and the international associate of Savills, one of the world's leading real estate firms listed on the London Stock Exchange (SVS: LSE).

With over 13 years of expertise, KMC is widely recognized as the Best Property Consultant in the Philippines and a leader in the local real estate industry. The firm was incorporated in 2009 and founded by proptech entrepreneurs, Gregory Kittelson, Michael McCullough, and Amanda Carpo.

With over 150 employees involved directly in transactions for office, capital markets, residential, retail and industrial locators, KMC is a full-service real estate firm which offers end-to-end services for its clients. Our services range from transactions and advisory services, landlord representation to investments, asset management, project management & construction management, research & consultancy, and valuation services, among others.

KMC aims to be the preferred provider of professional real estate services in the Philippines, operating with the needs of foreign and local clients and providing services that are timely, responsive and informative – merged with local expertise and passion.

KMC strives to accomplish this goal through:

- Working with expert real estate professionals who are capable of providing successful and pleasant experience for clients
- Providing dynamic services through KMC's experienced teams who specialize in dealing with both local and foreign companies
- Delivering accurate analysis and assessment of client operations alongside strategic and reliable advice

KMC is committed to delivering unique, localized services and market expertise through its professional and international team.

Young Leaders

KMC has been named winner of the following awards: ‘Best Real Estate Agency-Philippines’ in 2013-2014, ‘Best Property Consultancy Website Philippines’ in 2014-2015, and ‘Best Property Consultancy Philippines’ in 2015-2016.

KMC also passed the renewal of the company’s ISO 9001: 2015 Certification across all its services.

The Local Leader in Foreign Assistance

As the country's leader in assisting foreign companies entering the Philippine market, KMC and its sister companies offer a one-stop shop of integrated services: corporate legal services, accounting, staffing, incubation facilities, and site selection. Our team has been able to demonstrate success through a balance of local market expertise and delivery of client-centered service on a global scale.

Through its business model, KMC has been able to ensure that its clients successfully enter and integrate with the Philippines' challenging and unfamiliar market. This has allowed us to forge long-lasting relationships with our clients.

KMC and its sister companies are fully capable of extending its range of services beyond real estate to provide end-to-end solutions through its partnership with Kittelson & Carpo Consulting and KMC Solutions.

Our people – KMC professionals are dedicated to supporting clients in achieving their business goals. Furthermore, the company builds cross-functional teams that allow for collaborative work on all projects.

Integrated Services – The firm's services are scaled to meet the needs of each client, big or small, local or international. In addition, KMC provides a custom mix of products and services that deliver end-to-end solutions with significant, measurable returns.

Client commitment – KMC is committed to delivering unique, localized services to serve all of our clients' needs.

Internationally award winning – As a consistent winner of accolades from the Asia Pacific International Property Awards, KMC has proven itself to be a world-class corporation and an industry stalwart.

STRATEGIC INDUSTRY ALLIANCES

KMC proudly affiliates itself with key organizations that uphold our company principles and add strategic value to our services thus providing our clients with a wide network of connections and value-added services.

Remaining locally relevant – As a member of the IT & Business Process Association of the Philippines (IBPAP) and Contact Center Association of the Philippines (CCAP), the company is kept up-to-date with the latest movements in the outsourcing & realty industry. This puts KMC in a better position to provide real estate advisory services to its clientele.

In July 2013, KMC became an affiliate of Savills, a leading global real estate services provider.

Savills is a leading global real estate service provider listed on the London Stock Exchange. The company, established in 1855, has a rich heritage with unrivaled growth. The company now has over 600 offices and associates throughout the Americas, Europe, Asia Pacific, Africa and the Middle East.

In Asia Pacific, Savills has 56 regional offices comprising over 25,000 staff. Asia Pacific markets include Australia, China, Hong

Kong, India, Indonesia, Japan, Macau, Malaysia, New Zealand, Singapore, South Korea, Taiwan, Thailand, Vietnam and the Philippines.

Savills provides a comprehensive range of advisory and professional property services to developers, owners, tenants and investors. These include consultancy services, facilities management, space planning, corporate real estate services, property management, leasing, valuation and sales in all key segments of commercial, residential, industrial, retail, investment and hotel property.

A unique combination of sector knowledge and entrepreneurial flair gives clients access to real estate expertise of the highest caliber. We are regarded as an innovative thinking organization supported by excellent negotiating skills. Savills chooses to focus on a defined set of clients, offering a premium service to organizations and individuals with whom we share a common goal. Savills is synonymous with a high-quality service offering and a premium brand, taking a long-term view of real estate and investing in strategic relationships.

Transactions & Advisory Services

As an industry-leading firm, KMC utilizes a client-centric approach in providing a seamless and expert tenant representation services. It offers highly-customized and cost-effective business solutions that enable increased incentives and concessions that exceed client expectations.

THE POWER OF QUALITY

KMC's collective years of experience assures clients of excellent advisory and transparency. It is the thrust of the team to study all aspects of the business in delivering comprehensive consultancy that will help identify the needs and considerations of the client for easier transactions and nationwide coverage.

More than a strategic advisor and hands-on front liner, the KMC Transactions and Advisory Services team takes care of transaction management and due diligence to ease the pain points of real estate processes. It also employs the best internationally-recognized practices in creating strategies that help secure the best deals suited to client preferences, budget, and goals.

PROJECT MARKETING Driven By Proven Results

KMC aims to assist developers in fully realizing their project's vision and goals. Project Marketing magnifies the potential of the building with the creative but strategic use of tools and materials. The LLR team assists developers in catering to the right audience and landing the correct market better suited to their project.

The property can rely on highly effective branding and awareness campaigns that perfectly utilizes different forms of marketing, banking on its established network of contacts. With a through-the-line approach, clients' businesses thrive on a variety of media exposure, client presentations, and traditional and digital marketing techniques. KMC is also up to date with the latest marketing trends that allow them to penetrate all market segments through its well-tailored campaigns and executions.

Research and Consultancy

KMC continues to lead the real estate market with expert consultancy and quality research & analysis. With its in-depth market study and valuable outlook, clients are able to make informed business decisions befitting of their business goals. With a show of extensive market expertise, KMC helps determine effective strategies for various businesses and its further development. They also back up other KMC internal teams by equipping them with up-to-date and relevant industry reports.

EMPOWERING ADVISORY

As a core thought leader in real estate, KMC helps maximize emerging opportunities to grow clients' assets and investments. Its Research team is armed with a detailed understanding of the market and global access to a vast and relevant industry network in delivering its comprehensive and customized market reports to its clientele.

The highly-professional team prepares strategic studies paired with sophisticated consultancy to help individuals or businesses capitalize further on their investments and gain foreseeable insights into the local market. It also offers a broader perspective in terms of economic outlooks for short-term or long-term real estate investments.

WHO WE WORK WITH

- Developers and property owners that want to maximize their real estate assets
- Real estate investors and individual investors
- Corporations in need for strategic consulting advice
- New market entrants unfamiliar with the local real estate industry
- Institutional owners and investors
- Corporate owners and occupiers

QUALITY RETURNS FOR QUALITY INVESTMENTS

KMC's competitive industry experience and exceptional track record demonstrate its capability to go beyond client expectations and market norms. Backed by a solid foundation, it exceeds the standards when it comes to rental and occupancy levels. Clients are assured of full asset protection and risk reduction strategies that are suitable for their business needs.

THE WORK WE DO

The team is guided by comprehensive data collection & due diligence that tend to various legal and contract compliances. To allow for accurate and consistent servicing, prospective clients are given full risk management, shared services identification, overall site governance and framework standardization, and tiered solutions for all business sizes.

WHO WE WORK WITH

- Property owners (commercial, residential, and industrial) and investors
- Corporate/Retail owners and occupiers

Investments

The KMC Investments team provides professional and tailor-fitted assistance not just to institutional clients, but also individuals, groups and corporations looking to acquire or dispose of high net worth properties. It services clients with all types of deal sizes and holding periods.

Synergistically integrated with other KMC departments, the Investments team can also deliver a full range of value-added services to its clients. With a client-centric mindset, they play key roles in analyzing, acquiring, developing, and eventually selling properties whether it be raw land, industrial or commercial real estate.

SETTING PERFECT OPPORTUNITIES

Utilizing its industrial experience and impressive track record, KMC's on-the-ground investment professionals ensure real estate transactions are guided by extensive due diligence and real-time market data. Clients are always matched with a customized strategy that is apt to their business goals. Given its holistic and committed approach, it can guarantee clients maximum returns on all types of investment or divestment.

As an exclusive international associate of Savills, the firm has an extensive reach and maximizes its access to global network of viable buyers from all over the world. It professionally develops mutually beneficial situations for the clients involved in an acquisition or disposal.

T1 Project Services

T1 Project Services practices internationally-recognized standards and promotes best practices in all of its projects.

In addition to this, the professionals also closely monitor the design and cost teams to maximize output for the set budget. It is inherent in its basic services to perform due diligence in pre-construction stage, do a routine analysis of the design in all stages of the project and constantly challenge the budget to safeguard the client's interest.

At T1 Project Services, the uniqueness of every client and project is well-considered. The team believes in tailoring the approach to suit different clients' needs. The significant repeat clients are a testimony to the genuine interest in building a long-term relationship that's mutually beneficial to the firm and our clients.

ARMED WITH EXPERTISE

The multi-disciplinary team is led by industry experts who have over 15 years in the construction industry and have successfully delivered projects of various scales and sizes in over 60 different countries.

They work collaboratively with other traders and consultants to deliver complex objectives. Its strength lies in embracing technology and intelligent ways of working to deliver projects on time and within budget.
