Daniel is an associate for the KMC Investments team. He is the professional in charge of identifying and presenting sites to clients and investors fit to their expansion requirements. He also gathers listings from the scouted properties, developers, brokers, and other institutions. He is also skilled in conducting due diligence in various areas for opportunities, corporate or individual owners, and other properties under exploration or negotiation.

Aside from his day-to-day tasks, he also supports the team by producing back-end and front-end data and marketing collaterals.
