Daniel is the Chairman of T1 Project Services. He is a top-notch leader known for his first-class analytical, design, and problem-solving skills. He is articulate and dedicated to maintaining the company's high-quality service. He has a wide range of experience on commercial, construction, and project management from both the international and the local field. Daniel is also an expert in the field of procurement and fast-track construction.

As the Chairman of T1 Project Services, Daniel oversees the entire cycle of every project. He is an expert in project establishment, communication strategy, and implementation. He also provides clients with feasibility studies and business cases to guide them in making strategic business decisions.

Dan graduated with a degree in BSc Construction Management. He is also a member of the Associate of Project Management, a VCA-COL Supervisor, and has taken the DENR Managing Head Environmental Course.
